Saturday Mammograms at Sumner Station

Schedule your screening mammogram at Highpoint Health Imaging for Women with Ascension Saint Thomas. Once a month, we're offering Saturday appointments between 7:40 am and 11:40 am. We understand how busy women can be and want to make it as convenient as possible to get an annual mammogram, recommended for women 40 and older. Request your appointment online or make an appointment by calling [615.328.6500](tel:6153286500).

These dates are for screening mammograms only. A screening mammogram (commonly referred to as an annual breast exam) is performed on women who have no symptoms or signs of breast cancer. If you have any symptoms, please call to schedule a diagnostic breast exam.

Appointments requested online must be confirmed by our registration staff. You will be contacted by phone to provide health and insurance information, and at that time your appointment request will be confirmed. Breast cancer screenings (screening mammograms) take approximately 20 minutes. Registration staff will confirm your exact arrival time within the 7:40-11:40am window.

Once your request is confirmed, you can opt-in to receive text message confirmation and reminders.

Disclaimer: There is no charge to make this appointment request. However, you will be billed for your screening mammogram accordingly based on your insurance coverage. When your appointment is confirmed, a registration agent will ask about your coverage or you may ask if you qualify for self-pay pricing or a special rate.
